

**SUBJECT: ICCOPT 2019 / First Announcement**

Dear colleagues,

we cordially invite you to participate in the Sixth International Conference on Continuous Optimization (ICCOPT). The ICCOPT 2019 will take place on the campus of the Technical University (TU) of Berlin, August 3-8, 2019. The ICCOPT is a flagship conference of the Mathematical Optimization Society (MOS), and preceding editions were organized in Tokyo (2016), Lissabon (2013), Santiago, Chile (2010), Hamilton, Canada (2007), Troy, USA (2004).

ICCOPT 2019 is hosted by the Weierstrass Institute for Applied Analysis and Stochastics (WIAS) Berlin. It will include a Summer School (August 3-4) and a Conference (August 5-8) with a series of plenary and semi-plenary talks, organized and contributed sessions, and poster sessions.

For more details and online registration, please visit our webpage

<https://iccopt2019.berlin>.

We look forward to receiving your contributions and seeing you in Berlin next year!

With best regards,

The ICCOPT 2019 Local Organizers

-----  
6th International Conference on Continuous Optimization

**PROGRAM COMMITTEE**

M. Hintermüller, H. Frankowska, D. Sun, J. Gondzio, D. Ralph, C. Sagastizabal, M. Teboulle, S. Ulbrich, S. Wright, T. Luo, J.-S. Pang

**DEADLINES**

Feb 22, 2019: Abstract submission for mini symposia  
Mar 22, 2019: Abstract submission for invited/contributed talks  
Apr 15, 2019: Abstract submission for posters  
May 15, 2019: Early bird registration
