

At the University of Graz, researchers and students work across a broad disciplinary spectrum to enlarge our knowledge, and find strategies to deal with challenges our society is confronted with and to shape tomorrow's world. The University of Graz is a place which combines high quality academic research and teaching, where achievement is rewarded, careers are promoted, and social diversity is encouraged – all within a modern, award-winning working environment. Our motto: We work for tomorrow. Join us!

The Institute of Mathematics and Scientific Computing is looking for a

University Assistant with doctorate

(40 hours a week; fixed-term employment for the period of 6 years; position to be filled as of September 1st 2021)

Your duties

- Research in the field of continuous, infinite-dimensional optimization (analysis and numerics)
- Collaboration in major projects of the institute; if appropriate, own acquisition of third-party funding
- Conducting courses and examinations, including in the area of optimisation/numerics
- Collaboration in the supervision of students
- Possibility to work on a relevant habilitation or qualification for a professorship

Your profile

- Completed doctorate in mathematics
- Sound knowledge of infinite-dimensional and/or nonsmooth mathematical optimisation
- Practical knowledge of the algorithmic implementation of optimisation methods
- Good knowledge of a modern programming language (Python, Julia) (desirable)
- Scientific excellence
- Excellent proficiency in English
- Didactic aptitude for independent teaching
- Ability to communicate and work in a team

Our offer

Classification

Salary scheme of the Universitäten-KV (University Collective Agreement): B1

Minimum salary

The minimum salary as stated in the collective agreement and according to the classification scheme is EUR 3945.90 gross/month. This minimum salary may be higher due to previous employment periods eligible for inclusion and other earnings and remunerations.

We offer you a job with a lot of responsibility and variety. You can expect an enjoyable work climate, flexible work hours and numerous possibilities for further education and personal development. Take advantage of the chance to enter into a challenging work environment full of team spirit and enthusiasm for your job.

Application Deadline: **June 16th 2021**

Reference Number: **MB/125/99 ex 2020/21**

The University of Graz strives to increase the proportion of women in particular in management and faculty positions and therefore encourages qualified women to apply.

Especially with regard to academic staff, we welcome applications from persons with disabilities who meet the requirements of the advertised position.

If you are interested, please submit your application documents (CV, certificates, etc.) before the stated deadline. Make sure to indicate the reference number on your application to:

bewerbung@uni-graz.at

For further information on the job advertisement, please contact Prof. Christian Clason (c.clason@uni-graz.at).
